HOUSTON, Oct. 4, 2024 /PRNewswire/ -- Bowen, Miclette & Britt Insurance Agency, LLC (BMB), a leading insurance brokerage and one of the Top 100 insurance agencies in the United States, has completed the acquisition of M Surety Services, a recognized leader in contract surety bonds. Justin McQuain, President of M Surety Services said, "Joining BMB was a natural choice for us because of their incredible reputation, the strength of their people, and their culture. Their core values align perfectly with ours, and that was very important in making this decision. We're excited to move from being a bonds-only agency to becoming a full-service insurance provider. This partnership allows us to offer a broader range of products and resources, positioning us to be the total risk management solution for our clients."

This acquisition combines the strengths of both organizations, offering clients enhanced resources, industry-leading knowledge, and an expanded service offering. The integration of M Surety's expertise into BMB's operations ensures that both companies can continue to deliver comprehensive, customized solutions to their clients, all while maintaining the personal, local service their clients have come to trust.

"Our acquisition of M Surety Services marks another significant step in our strategic plan to enhance our presence in the surety and construction sectors," said Paul Cerone, Chief Operating Officer of BMB. "M Surety's expertise aligns perfectly with our mission to provide best-in-class products and services. Their experienced team of specialists and client-first approach will be a tremendous asset to our organization."
