McDermott Insurance Group is pleased to announce it has joined Leavitt Group Midwest, a Leavitt Group affiliate. This strategic partnership allows McDermott Insurance Group to operate as an independent agency, expanding its range of insurance products and services, all while ensuring clients continue to receive the same high-quality service they trust.

“We’re excited to join Leavitt Group Midwest and look forward to the benefits our affiliation brings to our staff and clients,” said Matt McDermott, owner of McDermott Insurance Group. “As an independent agency, we don’t work exclusively for any insurance company. Instead, we have access to policies from multiple providers, including Nationwide.”

The addition of McDermott Insurance Group brings two office locations and five dedicated team members to the Leavitt Group Midwest team, including Rod Smith, Chris Mohler, Dane Maclae, and Lynn Parsell.

“We welcome the McDermott team and clients to our agency,” said Jeff Seaton, co-owner at Leavitt Group Midwest. “With two new locations, we look forward to expanding our services to the communities of Newark and Zanesville.”

McDermott Insurance Group has built a strong reputation for providing personalized insurance products and services to both individuals and businesses.
