Troy Insurance is pleased to announce it has entered a strategic partnership with Leavitt Group, a national brokerage with more than 90 agencies across 27 states. The new partnership is designed to offer clients an expanded range of insurance products from the same team of insurance professionals. “We are excited to join Leavitt Group and gain added value to our carrier and service offerings,” said David Troy, president at Troy Insurance Agency.

“Going forward, our company’s name, staff, local personal service, carriers, and virtually everything our customers have come to know and trust about our agency will remain the same.”

The Troy Insurance Agency’s leadership team, including Troy, Mike MacDowell, Amanda Nelson, and Derek Bruce, retain ownership and will continue doing business from their Lewiston and Moscow, Idaho, locations. The partnership will not affect any client’s coverage.

“Our team will remain actively involved in the agency for many years to come, and we look forward to continuing to serve our valued clients,” said MacDowell.
