Largest Personal Lines Insurance Distribution Company Expands Footprint in Florida, North Carolina, and Texas

HUNTINGTON BEACH, Calif., July 29, 2024 /PRNewswire/ -- [Confie](#), the largest personal lines insurance distribution company in the U.S., announced the acquisition of three insurance agencies to expand its rapidly growing portfolio. The acquisitions include Affordable Insurance in Hendersonville, NC, US1 Insurance in Miami and Hialeah, FL, and Bridgepoint in McAllen, TX.

"We are thrilled to welcome these agencies to the Confie family," said Confie CEO Cesar Soriano. "Our accelerated growth is expanding our footprint throughout the country."

Established in 2000, US1 Insurance was recently acquired by Confie and provides coverage to residents and small businesses throughout Miami and Hialeah, Florida.

Affordable Insurance is a local insurance agency in rural Hendersonville, North Carolina. Founded in 1999, the agency has established itself as a regional provider of personal lines and small commercial lines insurance for more than two and a half decades.

Established in 2000, US1 Insurance provides coverage to residents and small businesses throughout Miami and Hialeah, Florida. With two locations located in two Spanish-speaking neighborhoods, the agency has a fully bilingual staff and specializes in personal lines.

"Affordable Insurance and US1 Insurance have both served their surrounding communities for years," said Soriano. "We are thrilled to announce the addition of both agencies to the Confie family of brands."

Bridgepoint Insurance Agency & Permit Center is an independently owned insurance agency and DMV service center headquartered in McAllen, Texas. Founded and operated by David Cantu, a dual citizen of the U.S. and Mexico, the agency offers license and registration services, permit, and retail insurance service throughout three locations in the Rio Grande Valley region of Texas and near the center of Hidalgo County. In addition, the agency holds active personal lines insurance and managing general agent business licenses in Texas, as well as non-resident licenses in Arizona and California.

"Joining with Confie is a significant milestone that will allow us to better serve our customers and communities," said Cantu. "This merger was the ideal next step for our continued growth and success."

Soriano added the three acquisitions are part of Confie's long term growth strategy. "We will continue to expand in markets through acquisitions, franchising, and organic growth," he said. "We are looking for successful entrepreneurs with a strong employee base to join our winning team."
